*I've always been fascinated by trees.  
Big trees, exotic trees, bare trees, colored trees or just common green trees. For me,  
there is nothing in this amazing World that can be compared to the fresh smell out  
of a thousand shadows dancing in the wind while the sun bathes them with the  
miracle of life. I could not live without them.  
Thank you Inspiring Trees.*

*Joana Santos Barbosa*

## INSPIRING TREES

FLOOR LAMP

### DIMENSIONS

Height. 160cm | 63,00'' Width. 53cm | 20,87'' Depth. 42cm | 16,54''
