

# Triton

Armchair

**Triton**, the mythological Greek God, and the irregular shapes caused by reflections of light on water, were certainly the essence behind this armchair. With its structure made in fiberglass lacquered in aged gold color and upholstered in high quality leather, this luxurious and imposing piece causes those who sit on it to feel like an authentic messenger of the sea.

**Structure:** Fiberglass  
**Finish:** Aged gold color  
**Padding:** Class B1, Ref. 579, Leather

**Dimensions (cm):** 100 x 83 x 73  
**Dimensions (in):** 39.4 x 32.7 x 28.7  
**Reference:** K1400

## Marsala and Black
